Field Protection Agency is a proprietary provider of
GroundShieldz-D™

GroundShieldz-D™ is a unique temporary flooring solution that is durable yet lightweight, making it the ideal solution for pedestrian walkways or anywhere that heavy foot traffic (eg. Mosh pits, or equipment) will travel. It can support the weight of forklifts with trucks and vehicular traffic.

GroundShieldz-D™ is a superior ground protection product while protecting the ground from heavy weight traffic. Suitable for natural and synthetic turf, indoors or out.
