Field Protection Agency is a proud provider of **Supa-Trac™**

Supa-Trac is a unique temporary flooring solution that is durable yet light-weight, making it the ideal solution for pedestrian walkways or anywhere that heavy foot traffic (eg. Mosh pits, or equipment will travel). Supa-Trac can support the weight of forklifts with pneumatic tires, light trucks and vehicular traffic.

Supa-Trac is a superior turf protection product that keeps grass alive whilst protecting the turf from being trampled by pedestrians or vehicles. Supa-Trac is suitable for natural and synthetic turf, indoors or out. Supa-Trac is a widely recognized design for temporary comprehensive coverage solutions.
